

LEARN TO BUILD TALL WALLS & LATERAL BRACING THE PROPER WAY.

GAIN EXPERTISE THROUGH AN iLEVEL BY WEYERHAEUSER COURSE.

June 11, 2009

8am-12pm

NW GA Inspectors Association

City of Kennesaw City Hall
Council Chambers
2529 J.O. Stephenson Avenue
Kennesaw GA 30144

Specific Course Content (4-hour course is divided into 2 parts):

“Design and Architectural Considerations of Residential Tall Walls”

#BLS 700

Participants will be able to create and specify a preliminary framing design of tall walls based on wind load considering architectural and structural requirements.

AIA Credits: 1 learning unit + 1 HSW unit

“Wall Bracing and Architectural Design”

#GEN400

Learn how to apply the IRC prescriptive provisions for wall bracing and recognize how the architectural design can impact bracing decisions.

AIA Credits: 2 learning units + 2 HSW units

Fax this completed seminar registration to (615) 223-8711.
